

Beth *Harwood* communication at work.

Leadership Development Consultant

Communication Strategist

Professional Speaker

Beth has 25 years of training, speaking and consulting experience and is known for her practical, fast paced and enjoyable programs in which she focuses on Communication as both a process and a skill.

Beth has done extensive work in the healthcare, financial services, education and manufacturing industries. Her confidential coaching services with business leaders, executives, medical directors, physicians, politicians and clergy have led to improved workplace relationships, enhanced credibility and dramatic personal change.

Beth has served on the faculty of Mount Mary College and University of Wisconsin-Milwaukee, teaching in both the undergraduate and MBA programs. She is the host of the televised talk show, *Focus on our Children*, sponsored by the School District of Menomonee Falls and airing weekly on Time Warner Cable. She is the author of the *Let's Talk* toolbooks, designed to enhance conversation.

Beth is an active member of the National Speakers Association.

When communication is the issue, Beth Harwood is the answer.

From awareness and assessment—to solutions, skills and strategies—Beth assists individuals and organizations in becoming versatile, flexible communicators.

"Excellent speaker!"

Beth Harwood runs Communication at Work, a training and consulting company, which helps people communicate and organizations prosper. She works with people interested in becoming versatile, flexible communicators. Her practical, fast paced approach draws on communication and business research, stories about unsuspecting heroes and her candid view of life.

"She has a real communication gift."

Combining years of speaking experience, well-refined presentation topics, customized programs, and her new conversation aids—*Let's Talk: A Communication Tool to Enhance Conversation*, Beth has both the tools and experience to enhance your organization's communication process.

"Wow! I want more Beth, bring her back!"

Beth is a Leadership Consultant

Influential leaders are strong communicators, so ask yourself: Do you have charisma? Charismatic leaders are not only born—they can be trained! As a leader, you have a vision. A video assessment plus Beth's coaching and support will help you express your vision clearly to others. You will become a leader people believe in.

You are knowledgeable, trustworthy, and caring? Do you convey this to others? If you believe in your message, you will benefit from Beth's Credibility Tool, an assessment that helps professionals ensure they are perceived accurately, and therefore, believed.

Life IS people. Communication is what links people at work and everywhere else. Beth has 25 years of experience teaching communication skills in short presentations and in year-long courses, for credit and for fun.

Beth is a Communication Strategist

Would you like to improve your working relationships? Beth will help you set your own goals and the messages you need to reach those goals. Beth works to understand your values so the approach you decide upon is uniquely yours. The result for your organization: success!

Beth is a Professional Speaker

Beth doesn't just speak; she speaks *to* your group, to the cares and concerns in people's hearts and minds. Lively and perceptive, Beth has kept audiences listening for more than 25 years, across the country and around the world.

Beth is an Author

Beth has authored dozens of workbooks, a couple of toolbooks and an assessment tool. Helping adult learners understand and take action is her goal.

Beth is a Talk Show Host

Helping you get your message heard and understood is important to individuals and organizations. Beth has facilitated hundreds of conversations, discussions and forums.
